Any successful business person knows that good time principles are critical to life and success. Why have we neglected this important skill for our children and youth? Author, Elizabeth Franklin, combines her twenty-year passion for teaching time priorities with her passion to empower young people in this phenomenal student workbook. TIME 4 KIDS and TEENS is designed to introduce students to good time management skills and encourage prioritizing time choices. It also inspires and encourages a healthy self-image and teaches life skills to carry into college and the workforce. TIME 4 KIDS and TEENS is suitable for older elementary to middle school students. Private and Public Schools and homeschoolers will love this simple daily approach as a teaching tool to learn the basics of time management. It is simple enough for a 4th grader, but would also be an excellent tool for students all the way to high school who have little or no time management training. A Chapter Quiz Answer Key is included in the back of the workbook. TIME 4 KIDS and TEENS would also be appropriate for self-study. For older students please see TIME 4 HIGH SCHOOL and COLLEGE books.
