Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.ATLAS AMERICA America represents a unique, shining example in government. Its success is the envy of people all over the world. The economy of the United States is greater than that of Japan, Germany, China, the United Kingdom and France combined. It provides military, economic and charitable support to many nations. America is truly Atlas to the World! Will America be able to continue in this role with national deficits and unsustainable debt threatening its future? WILL ATLAS BE FORCED TO SHRUG? This book summarizes 50+ key points leading to effective constitutional government. It also includes the text of a proposed Federal Limit Amendment. Basic disciplines would be created by such an amendment: 1. Control of the size and growth of the Federal Government through constitutional budgetary restraints. 2. Debt reduction or dispersion of excess federal funds to the States in a manner that is nationally equitable and not subject to federal political influence. 3. Federal competition for available funds within the limit will increase program oversight, rejustification and the reduction and elimination of unnecessary...
