By -

Channel View Publications Ltd, United Kingdom, 1991.  
Paperback. Book Condition: New. New.. 217 x 141 mm.  
Language: English . Brand New Book. The history of language teaching is shot through with methods and approaches to language learning - most recently with communicative language teaching - but this book demonstrates that a more differentiated and richer understanding of learning a foreign language is both necessary and desirable. Languages and cultures are interlinked and interdependent and their teaching and learning should be too. Learning another language is part of a complex process of learning and understanding other people's ways of life, ways of thinking and socio-economic experience.
