

The Body: An Essay

By Jenny Boully

Essay Press, United States, 2007. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. Cultural Writing. Poetry. Essays. Comprised of footnotes to a non-existent text, THE BODY: AN ESSAY is a meditation on absence, loss and disappearance that offers a guarded narrative of what may or may not be a love letter, a dream, a spiritual autobiography, a memoir, a scholarly digression, a treatise on the relation of life to book. Christian Bok describes Boully's groundbreaking text as one that may simply annotate a fantastic biography from another reality, referring only to itself as a kind of dream within a dream. The reader can only fantasize about the original contexts that might have made such information significant to its author, and ultimately, implies that the body of any text consists of nothing but a void-filled with the exegetical projection of our own imagination. First published in 2002 and excerpted in such anthologies as The Next American Essay and The Best American Poetry 2002, THE BODY: AN ESSAY continues to challenge conventional notions of plot and narrative, genre and form, theory and practice, unremittingly questioning the presumptive boundaries between reflection, imagination, and experience.
