Secondly, expert interviews with four ecommerce start-up managers and one consultant for the jewellery industry to analyse the special challenges in e-commerce for jewellery retailers. Thirdly, by combining these results and appropriate solution approaches based on the expert interviews and further literature developing a basic guideline how to handle these factors at an investment in e-commerce.Findings: Many general e-commerce success factors, difficulties and risks in e-commerce apply also for the jewellery retailers. For jewellery retailers the picture quality, page design and customer trust is more important as in other industries.Limitations: The focus of study and guideline is on e-commerce for B2C jewellery retailers, there is no examination about product development or selection. Furthermore it is focus...
