

Be Safe When Lightning Strikes: Lightning Precautionary Measures

Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Partridge India, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A fascinating natural phenomenon, a marvel to watch but as beautiful as it is, lightning is extremely dangerous. It has killed people, destroyed shelter, killed animals and destroyed our personal belongings such as radio, television sets and many more. It is something one needs to take seriously as well as familiarize him/herself with the safety tips associated with it. Experts believe that seeking shelter during the times of thunderstorms save more lives than being caught outdoors. More importantly, is the fact that people need to gain much knowledge as they can in order to save lives. This book therefore, assists those with lesser knowledge and those who are still tied to their childhood myths to overcome various situations as far as lightning precautions are concerned.
