Disgraced ministers, with a trail of actions falling behind them. Denominations falling apart at the foundation. Are these isolated incidents? Are they Satanic attacks, the work of the devil, who wants to destroy the church? Or is God doing something to unveil the realities of modern Christian leaders, in the hope that the church of today will turn back to Him? In Turning The Hearts Of The Leaders Toward The Father: A Journey Through The Book Of Malachi, Dr. Lee Ann B. Marino, Ph.D., D.D. looks at the way God handles the sins of the leaders and why uncovering is always the work of God. In a deeper way, Dr. Marino looks at Malachi's prophecy and sees the issues in modern-day ministry, while inspiring hope for change and future progress as leaders look - trust - and, most importantly - repent - when they heed the words of God's modern-day apostles and prophets.
