The sea can be soothing with soft swirls of foam and quiet lapping on wet sand, or it can be energizing with waves rolling, crashing, and spewing foam high into the air. Because the ocean is constantly moving, it can be one of the most challenging subjects an artist can paint. In this book, Sharon Teal-Coray shares the easy methods she has developed to paint the various elements of the ocean, plus the sky and clouds. Included are 5 designs for advanced beginners to intermediate painters, each with complete instructions, full-size patterns, and beautifully illustrated paint worksheets: Caribbean Colors, Labadee, Maui Morning, Paradise Cove, and Under the Full Moon.
