Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

(Adan Fritsch)

THE LIMITATIONS OF LANGUAGE

[DOWNLOAD](#)

Palgrave MacMillan, United Kingdom, 1988. Paperback. Book Condition: New. 1988. 224 x 136 mm. Language: English . Brand New Book ***** Print on Demand *****.An exploration of the relation between language and our senses and emotions, taking readers into domains as diverse as wine-tasting, marriage guidance counselling, medical training and face recognition. The authors argue that language is a double-edged weapon, equally capable of clarifying and confusing. At best it provides no more than a fragile bridge between us, sustained by illusions we all share. Through language we can reconstruct experiences in a way far-removed from what we actually lived, feign understanding, hide what we actually feel, or talk with confidence about what we ill-understand.
