Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

NO LOGO: NO SPACE, NO CHOICE, NO JOBS (3RD)

St Martin's Press. Paperback / softback. Book Condition: new. BRAND NEW, No Logo: No Space, No Choice, No Jobs (3rd), Naomi Klein, NO LOGO was an international bestseller and "a movement bible" ("The New York Times"). Naomi Klein's second book, "The Shock Doctrine," was hailed as a "master narrative of our time," and has over a million copies in print worldwide. In the last decade, "No Logo" has become an international phenomenon and a cultural manifesto for the critics of unfettered capitalism worldwide. As America faces a second economic depression, Klein's analysis of our corporate and branded world is as timely and powerful as ever. Equal parts cultural analysis, political manifesto, mall-rat memoir, and journalistic expose, "No Logo" is the first book to put the new resistance into pop-historical and clear economic perspective. Naomi Klein tells a story of rebellion and self-determination in the face of our new branded world. Naomi Klein, born in Montreal in 1970, is an award-winning journalist. She writes a weekly column in "The Globe and Mail," Canada's national newspaper, and is also a frequent columnist for the British "Guardian." For the past five years, Klein has traveled throughout North America, Asia, and Europe, tracking the rise of anti-corporate activism. She often serves as a media commentator and has guest-lectured at Harvard, Yale, and New York University. She lives in Toronto. For more information, please visit her website at www.nologo.org. "No Logo" employs journalistic savvy and personal testament to detail the insidious practices and far-reaching effects of corporate marketing-and the powerful potential of a growing activist sect that is already changing the course of the 21st century. First published before the World Trade Organization protests in Seattle, this is an infuriating, inspiring, and altogether pioneering work of cultural criticism that investigates money, marketing, and the anti-corporate...
