Qualifications.--The qualifications desired of applicants for these positions are as follows: (a) That they be graduates in medicine. It is preferred that they shall have received a doctor of philosophy degree (or have had an equivalent training) from a first-class institution. (b) They must be trained in bacteriological laboratory work and must have good technique. (c) They must have a good thorough fundamental knowledge of pathological anatomy. (d) They must have a knowledge of and training in immunity and serum therapy. (e) They must be young, healthy, and energetic, and capable of doing research work; in fact, they should have all the qualifications needed by a first-class laboratory research worker. All statements in relation to training, experience, and fitness are subject to verification. It is believed that these positions will be attractive to persons who are competent for the work. It has been stated by the Bureau of Science that the position of bacteriologist and pathologist offers opportunities for promotion, the salaries in the pathological laboratories ranging as high as \$5,000 (U. S. currency) per annum. The laboratories are fully equipped with laboratory materials and apparatus for doing all classes of modern bacteriological and pathological work. The medical certificate in application Form 2 must be written by some medical officer in the service of the United States. Special arrangements have been made with pension examining boards throughout the country to give such examinations for a fee of \$2, to be...
