This is the fourth book of poetry from Greek poet and writer based in Glasgow, Mikhail Mavrotheris. Colorful poetry full of images, sometimes in the traditional form and most of the times in a more experimental style. It s a book to enjoy and play along with it as the lines and the words expand from page to page. The structure of the book is also associated with the poems in the book. The poetry of the book is based on the concept of This , a concept the author and his fellows developed one night they were bored and tired- This is a new way to put down on paper voice and style and creating the structure of a poem, as he explained. This and only This because contemporary poetry is boring; This is not.
