Facets of Women s Migration (Hardback)

By -

Cambridge Scholars Publishing, United Kingdom, 2014. Hardback. Book Condition: New. 1st Unabridged. 211 x 155 mm. Language: English . Brand New Book. This volume presents original and high quality contributions on women s migration from several different perspectives. Because of its complex nature, this topic has been examined in order to bring into dialogue a variety of theoretical perspectives, within an interdisciplinary context which includes not only sociology, anthropology, psychology and political geography, but also linguistics and literature. As the papers present the results of research projects which refer to specific geographical contexts, the collection is structured around the diverse destinations of the migrations here considered: namely, the Italian city of Palermo, Italy and Europe. All the papers were presented during the sixth edition of the Migration, Human Rights and Democracy Summer School, organized by the University of Palermo, Italy, in September 2012, which every year focuses on specific topics concerning questions of migration and human motilities in the contemporary world.
