No longer bound by earthly steps, it now takes wing to its destinations. The butterfly, free of its previous constraints has changed from one thing into another through the power of metamorphosis. As you will learn people can experience their own metamorphosis. Follow along as you encounter those people who are much like the caterpillar, trapped in a reality that is a far cry from their potential. Not only will you discover their cocoon known as meditation, but you will learn how to use the power of that cocoon. Read how these same people undergo a complete change in themselves. Finish your journey watching as the butterflies learn about their new found freedoms. They will show you how to sustain those freedoms for yourself.
