PowerKids Press, United States, 2015. Paperback. Book Condition: New. 211 x 208 mm. Language: English . Brand New Book. A meadow is more than just a pretty place to have picnics. Its home to many species of plants and animals. Theyre connected through food chains, and readers explore how individual food chains come together to make a meadow food web. This important science concept is presented through engaging text, as well as a colorful meadow food web that shows a variety of connections among living things in this ecosystem. Fact boxes provide additional information about the plants and animals that live in meadows, and colorful photographs put readers in the middle of this habitat.
