*****.It s a new world Parenting has always been challenging,

but these days the hardest parts of parenting involve

navigating around ever-changing gadgets and technology.

Whether dealing with phones, tablets, computers, social media,

or video games, parents need help managing this new

electronic environment. Like brushing their teeth and eating

their vegetables, kids need to know why healthy media habits

are important. Wake up! Pay attention! Misuse of technology is

a real and present danger that can lead to a zombie

apocalypse in your home. This eye-opening book offers hope

for parents battling the technology monster. Learn how to deal

with the harsh reality of technology in your home and how to

set technology boundaries for healthy and happy children and

teens. "Lee Binz has hit the nail smack on the head for clearly

identifying the impact technology is having on our children,

families, and schools, and what to do about it. TechnoLogic

demystifies a very complex issue, helping readers to sort out

problem areas and identify solutions. TechnoLogic is for

everyone who cares about creating...
