

The Witch-Cult in Western Massachusetts: Volume 1

Filesize: 7.79 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jaclyn Johns DDS)

Createspace, United States, 2015. Paperback. Book Condition: New. Alex Fienemann (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Matthew M. Bartlett, author of Gateways to Abomination, is back with The Witch-Cult in Western Massachusetts. A cross between Roberto Bolano s Nazi Literature in the Americas and Gardinel s Real Estate by Orrin Grey and M.S. Corley, this slender volume consists of 13 bite-sized fictional biographies, each accompanied by a chilling illustration by the masterful Alex Fienemann. Meet Stanley Malanson, who had a curious rapport with felines. Meet Abrecan Geist, who endeavored to take revenge on a capricious God. Meet Minerva LaBrie, who abandoned Wicca in favor of a dark and blasphemous alternative. Meet Jebediah Blackstye, who crossed a line with his beloved familiar, a toad with revolting powers. These are but four of the practitioners of black magic who have made their homes in the cities and towns of Western Massachusetts. Read of sumptuous feasts gone to rot, of a corrupted priest who dared unleash his venomous platitudes over the common airwaves, of a powerful sorcerer born at the intersection of Blood and Stone. Open your hearts to the Witch-Cult in Western Massachusetts.
