## ADVENTURES IN BIPOLARLAND: A NOVEL ABOUT REAL LIFE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 280 pages. Dimensions: 8.8in. x 5.9in. x 0.9in. The newest drug on the antidepressant shelf sends 35 year-old Laurel into a twilight zone of biochemically altered thoughts. Handcuffed, detained, and drugged against her will, she is not aware of her illness. She is fully aware of the inhumane treatment shown to her. Forced to live a different life with a different brain, innate strength and manic optimism overcome fear and vulnerability. Police, schizophrenics, doctors, drug addicts, judges, and homeless vets become the people of Laurels world. A tidal wave of depression hits just as she begins to sort through the chaos. When life hurts so much that its difficult to keep breathing--when suicide is not an option--the only reasonable response is to move forward as far and as fast as possible. Laurel discovers that the magic of synchronicity exists apart from mania, and she is able to honor the spiritual component of her strange experience. The result is a tale that ends well, for living well is the best revenge. This item ships from La Vergne, TN. Paperback.
