A large lump of rock salt, placed into every manger, is an excellent practice, the horses delight in licking it, and it keeps them in health. Assafcetida, yet in small quantities, I also recommend occasionally, likewise to hang up some in the stable in a bag, for its odour helps to prevent infection; and so does garlick, although in an inferior degree. I cannot quit the stable without cautioning you against--Chaunters, as fraudulent horse-dealers are called, who, in their advertisements, extol (chaunt) their horses, under all manner of pretences; they will give you Any warrant, even in writing; and allow you the horse on trial even for a month, provided you pay them in cash! but when, to return the horse, you apply at the respectable place where they pretended...
