## ASPECTS IN VEDIC ASTROLOGY

Motilal Banarsidass, Hardback. Book Condition: new. BRAND NEW, Aspects in Vedic Astrology, Gopesh Kumar Ojha, Ashutosh Ojha, Kenneth Johnson, Though astrologers are well aware that it is the aspects between planets between planets which add detail and definition to a birth chart, there has been (until now) no single work which deals comprehensively with the theory and delineation of aspects in Vedic astrology. This book fills a void by providing a clear and concise treatment of the subject. The authors have drawn their material from the ancient and medieval classics of Vedic astrology, preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life.
