Barron s Educational Series Inc.,U.S., United States, 2014. Board book. Book Condition: New. 224 x 168 mm. Language: English . Brand New Book. Embossing creates a raised, textured surface on the pages of this unique board book, so letters and numbers can be identified by both sight and touch. This multisensory experience engages and stimulates younger children s developing senses. Seeing the number or letter, touching it, and saying it out loud helps little ones make meaningful connections and retain what they ve learned. This technique has been shown to be especially effective for helping learning disabled children, beginning readers, home school students, struggling readers, and dyslexic students. In Farm Animal Counting, children can learn the numbers from 1 to 10 by feeling and tracing the little bumps on each number. They ll learn the names of farm animals as well! Charming illustrations throughout.
