It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

OTHERWISE

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Otherwise, John Dennison, The poems in this first collection by New Zealand poet John Dennison are concerned, above all, with love, and with the strange, unlooked-for manner of its appearances among us. Marked by emotional acuity and formal deftness, Otherwise draws us into confrontations with our equivocal and finite nature. The book includes, among other elegies, a moving sequence for Seamus Heaney. Here too, because 'some things bear repeating', are moments of turning, of grace and our refusals. This is a moving and thought-provoking collection from an assured new voice.
