Millions of secondary school graduates sit for JAMB (the qualifying examination into the university) every year, but only a minute percentage of them get admitted into all of the post secondary institutions in the country. Since you are among the few lucky ones, you deserve to be congratulated. But beyond this congratulatory message, there are things you need to put in place to make sure you graduate from this campus in one piece, and with a very good degree. This is what you have in this book - essential materials that you need to make the best use of this golden opportunity before you.
