But few of those books apply the lessons of Buddhist thinking as resolution and guidance tools. These questions, though found in the modern day, are actually the core of all Buddha's teachings impermanence, suffering, and the quest for happiness (freedom from suffering). This makes Buddha the kind of consultant or coach we need today in our workplaces. Following in the tradition of the authors' first bestseller, this work goes on to explore and answer 101 dilemmas that we encounter at work, with topics ranging from time management, goal-setting, conflict to job dissatisfaction, unemployment, and even workplace trysts.
