AuthorHouse. Paperback. Book Condition: New. Paperback. 136 pages. Dimensions: 8.8in. x 6.0in. x 0.7in. This text is mainly the spelling out of what felt to me like a physical experience of spirit. The question of interaction is analyzed in different stages, in its connection to fiction as something intrinsic to technology. It has, as point of departure and reference, the pioneering steps taken by Walt Disney along the path of joining technology to different entertainment medium. I am approaching several aspects of American pop culture and American life as related to technology, viewed through the common denominators of interaction and fiction. The topics are written in a confessional and yet reflection-oriented style, so that the element of particularity and passion is deliberately preserved, along with objective questioning. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
